CONSUMER INSURANCE ACT

Under the Insurance Act 2015, **You** have a duty to make a fair presentation of the risk to **Us** before this policy starts, at each renewal of the policy, and when **You** make any amendment(s) to **Your** cover. This means **You** must:

- a. disclose all material facts which **You** know or ought to know;
- b. make the disclosure in a reasonably clear and accessible way; and
- c. ensure that every material representation of fact is substantially correct and made in good faith.

A “material fact” is information that would influence **Our** decision as to whether to insure **You** and if so, on what terms.

For the purposes of the duty of fair presentation, **You** are expected to know the following:

- a. If **You** are an individual (such as a sole trader or an individual partner):
 - what is known to **You** and anybody who is responsible for arranging this Insurance;
 - or
 - If **You** are not an individual (such as a limited company or a partnership);
 - what is known to anybody who part of **Your** organisation’s senior management is (this means those people who play significant roles in the making of decisions about how **Your** activities are to be managed or organised), or anybody who is responsible for arranging this Insurance.
- b. What should reasonably be revealed by a reasonable search of information available to **You**. The information may be held within **Your** organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the Insurance). If the Insurance is intended to insure subsidiaries, affiliates or other parties, **You** are expected to have included them in **Your** enquiries, and inform **Us** if **You** have not done so. The reasonable search may be conducted by making enquiries or by any other means.

If **You** breach **Your** duty to make a fair presentation of the risk to **Us**, then:

- Where the breach was deliberate or reckless, **We** may avoid this policy and refuse all claims, and keep all premiums paid;
- Where the breach was neither deliberate nor reckless, and but for the breach:
 - i. **We** would not have agreed to provide cover under this policy on any terms, **We** may void this policy and refuse all claims, but will return any premiums paid;
 - ii. **We** would have agreed to provide cover under this policy but on different terms (other than premium terms), **We** may require that this policy includes such different terms with effect from its commencement, and/or
 - iii. **We** would have agreed to provide cover under this policy but would have charged a higher premium, **Our** liability for any loss amount payable shall be limited to the proportion that the premium **We** charged bears to the higher premium **We** would have charged. For example if due to a breach of fair presentation **We** charged a premium of £150.00 but **We** should have charged £200.00, for a claim submitted and agreed at a settlement value of £3,000, **You** will only be paid £2,250.
